The Family Choice for Over 28 Years

Home Health Care & Companion Agency, Inc. was established in 1979 with the vision to become the "home care agency of excellence," and to create an environment in which the integrity and dignity of each and every individual is respected and maintained. Over the years, one of our most important goals has been to employ competent, professional, and dedicated individuals whose first objective is the care and well-being of our clients. During our more than 28-year history, we have built a reputation for delivering on that commitment.

A Dedicated Team, Available Around the Clock

When you or your loved one needs care, there's no place like home. Home Health Care & Companion Agency is there to meet and exceed your health care needs, offering reliable, compassionate care and services around the clock or for just a few hours a day. You can count on the highest quality one-to-one care from our nurses, personal care aides, or live-in companions, depending on your needs. We practice vigorous hiring standards, and all applicants are thoroughly screened, fingerprinted with background and references checked. Conveniently located in Ulster and Dutchess counties, Home Health Care & Companion Agency offers:

- Over 28 years of consistent, dedicated services.
- Professional nurses, both RNs and LPNs.
- Dedicated personal care aides.
- Caring live-in companions.
- Homemaking services-from cooking to light housekeeping, shopping, errands and more.
- Regular visits to your home by a professional nurse to supervise our caregivers.
- One-to-one private duty in the home, hospital, or nursing home.
- Medical Case Management
- Medication Management
- Around-the-clock care or for a few hours a day.
- Vigorous hiring standards to ensure patients receive the highest quality of care possible.
- Photo I.D. badges for all employees, assuring safety and peace of mind for all who depend on our important services.
- No obligation pre-care initial consultation.
- We accept private pay and most major medical insurances.
- We work with you, your primary care physician and your immediate family to develop a care plan specific to your individual needs.

Providing Important Needs to Families and Individuals

At Home Health Care & Companion Agency, we provide an important, needed service to our clients, their families, and our community. We have a positive service-oriented view of our agency. It is because of this deep dedication to these views-on the part of our professional caregivers and other team members-that our company is where it is today...growing in the care and dedication to others. We pride ourselves on being providers of caring, reliable, competent, affordable, quality home care for you or your loved one.
